Dear Parents

SCHEDULE FOR KIDS' SHOW - REHEARSAL AND ACTUAL DAY

We are 2 weeks to the combined studio rehearsal of the Kids' Show and 3 weeks to the actual show!

We seek your cooperation and understanding in the following general notes for the rehearsals and showtime. Only with your help can we run the rehearsal and show efficiently and on time. Please expect some delays and some waiting time, and we apologise in advance for this. Please explain to your child that it takes teamwork from everyone to put together a big show like this!

1. Drop off your kid at the specified time and place, and we will do the rest! We have over 200 kids performing. For security as well as logistical reasons, we cannot have all parents, helpers, siblings, grandparents, etc as well.
2. Make sure your kid has all the correct costumes, shoes and hair bun kits, etc labelled with his / her name. More than 200 unlabelled pairs of shoes = CHAOS!
3. Give the child a light meal before arriving.
4. **NO PHOTOGRAPHY AND VIDEO ALLOWED at the show.** It is very distracting to see in our video footage the brightly lit screens of cameras in the audience. A DVD of the show plus official photographs will be available for sale after the show.
5. Please be punctual in dropping off your child so that we can end on time
6. Please remind your children to respect the performance space that we are using. Food and drinks are not allowed within the auditorium.

SUN 28 AUG 2011

Combined studio rehearsal at Jitterbugs Swingapore, #B1-08 The Cathay. This rehearsal will allow the children to get used to the run-through of the entire show and is very important especially for children who have more than one item.
